

KS Clock™

Designed specifically for the hotel industry, KS Clock™ is a premium universal charging system with built-in cables for all mobile devices.

KS Clock™ - convenient, compact and future proof. It is the perfect phone charging and music streaming solution.

NO MORE OUTLETS BY THE BED?

How will your guests charge their phones and tablets?

With Kube - Alarm Clock, Music Player and Phone Charger for up to six devices concurrently. You don't even have to supply the cables.

Recommended for all smartphones and tablets including the latest:

- ✓ iPhone 6
- ✓ Galaxy S6/Edge
- ✓ Blackberry
- ✓ HTC
- ✓ Nokia
- ✓ LG
- ✓ Kindle

What phone do you have? What about your guests?

The KS Clock™ has built-in Apple® Lightning, Apple® 30-pin and Micro USB flip out cables suitable for Androids, Blackberrys and virtually every smart phone and tablet on the market.

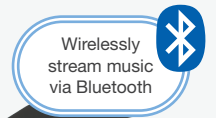

With built-in Bluetooth Music Streaming and an intuitive alarm clock, KS Clock is the perfect bedside companion.

Also, KS Clock™ has two additional Auto Sensing USB ports and optional **Wireless Charging**, powered by Qi technology.

- ✓ Hardware is fully upgradable as global charging standards change
- ✓ Available Hotel Room Controller for custom adjustment of all features
- ✓ Bluetooth and AUX Input for streaming music with superb sound clarity
- ✓ Security cables available to ensure the safety of your Kubes
